MEMORANDUM OF UNDERSTANDING
BETWEEN
SNOLAB
SUDBURY, ONTARIO, CANADA
AND
FERMI NATIONAL ACCELERATOR LABORATORY
BATAVIA, ILLINOIS, USA

1. Fermi National Accelerator Laboratory and SNOLAB recognize their mutual interest in and intention to promote cooperation in scientific and technological exchanges and may wish to undertake any or all of the following activities:
 - A. Assignment of scientists or engineers for short-term and long-term research
 - B. Joint collaboration for research and development in areas of mutual interest
 - C. Such other forms of cooperation as may be mutually decided upon
2. It is our understanding that SNOLAB will serve as the Host Laboratory for two different Fermilab supported experimental programs.
 - A. The COUPP Dark Matter Search Experiment
 - B. The Super CDMS Dark Matter Experiment

3. To coordinate the activities under this exchange, each side shall designate a contact person to whom correspondence will be addressed. The coordinators will channel correspondence, requests for cooperative activities, and all other matters related to the implementation of this program to the appropriate personnel and scientific and technical entities within their respective countries.
4. To facilitate efficient shipment, receiving, and storage of equipment, each side shall identify contact persons who are responsible for shipping, receiving, and storage of items transported between laboratories.
5. To facilitate efficient deployment of experimental apparatus, each side shall designate appropriate contact persons who shall be responsible for communication and coordination of Environment, Safety, and Health issues, and for Electrical and Mechanical Engineering Standards.
6. Rights to intellectual property (including inventions, data, copyright, etc.) for the parties shall be determined on a specific activity basis at the time a specific accord is reached for such activity and the accord should reflect the specific agreement as to intellectual property. Generally rights will go to the funding party with a royalty-free license to the non-funding party.
7. This agreement of mutual interest shall remain in force for five years from the date of signing by both organizations. Either party may cancel this agreement upon giving the other party 30 days prior notice of its intention to do so. It may be modified or amended by the concurrence of both organizations.
